TREASURY BILL BENCHMARK LINKED LENDING RATE

Treasury Bill Benchmark linked Lending Rate (TBLR) is determined based on the 1-year Treasury Bill benchmark rate published by Financial Benchmarks India Private Limited (FBIL). In the event last day of the month of the publishing month is not a Business Day, then the immediately **preceding** Business Day's rate will be used.

Basis above, the TBLR as of 28th February 2020 stands at 5.13% p.a. to be effective for loans sanctioned w.e.f. 01 March 2020.

Next date of publishing TBLR rate will be as of 31st March 2020 to be effective for loans sanctioned w.e.f. 01 April 2020.

Note: Visit www.fbil.org.in or Click here to access the daily 1-year Treasury Bill benchmark rate published on FBIL website.
