

THREE MONTHSTREASURY BILL BENCHMARK LINKED LENDING RATE

Treasury Bill Benchmark linked Lending Rate (TBLR) is determined based on the 3-months Treasury Bill benchmark rate published by Financial Benchmarks India Private Limited (FBIL). In the event last day of the month of the publishing month is not a Business Day, then the immediately **preceding** Business Day's rate will be used.

Basis above, the 3-months TBLR as of 28th March 2024 stands at 6.90% p.a. to be effective for loans sanctioned w.e.f. 1st April 2024.

Next date of publishing 3-months TBLR rate will be as of 30th April 2024 to be effective for loans sanctioned w.e.f. 1st May 2024.

Note: Visit www.fbil.org.in or [Click here](#) to access the daily 3-month Treasury Bill benchmark rate published on FBIL website.
