Save on Interest - Interest will be charged on the amount utilised. Unlike Refinance or Personal Loan where you pay interest from day one on the entire loan amount.

Mobile Banking - 24 hours Banking at your doorstep – Pay your bills, Salaries, Vendors, anywhere in India, just a click away with our Mobile and Internet Banking facility.

Intelligent Banking - Dedicated Relationship Manager with flexible limit, based on your account conduct and business requirement.

Leverage the limit by churning it - Rs.1,00,000/- limit churned every month (1,00,000*12) is as good as having Rs.12,00,000 annually for your Working Capital requirements.

Enhancement of limit - The Overdraft Limit will keep growing based on the utilization, regular business debits and credits and timely payment of interest.
